FINE CATERING

Menu Packages
2024

What's New in 2024?

Menu prices have remained consistent for 2024.

While inflation has increased certain costs of business, we feel that providing an incredible value in catering is our top priority.

Flexibility in China, Flatware and Glassware.

You now have the option of utilizing our china package or providing your own. This option give you flexibility in budgeting and planning. Everything on our proposal is itemized so you can speak with your event specialist about your options.

Our BBQ Menu is the Real Deal

Our meats are smoked over hard wood, and our sauces are scratch made by our chefs.

"Build a Bowl" and Taco Bar Menus are Fun and Fresh

Check out these two "new-ish" menu concepts from Delectables. Perfect for a corporate luncheon, social gathering or wedding reception. Our food is fresh!

Our focus is on you and your guests

At the heart of what we do, our goal is to provide amazing experiences for you and your guests at your event, party or wedding reception. "We Define Hospitality."

Delectables Philosophy

We consider great food to be an important factor in the success of an event or wedding and one of the aspects most remembered by guests. Sometimes spending a lot of money on food is not a priority.

For this reason, we have developed a set of delicious menu packages that deliver great quality, hand-crafted food at an affordable price.

The chef prepared cuisine for your event will be cooked at one of our centrally located kitchens and transported to your event right before it will be served.

In addition to this packet, please visit our website at www.delectablescatering.com for more information.

Package Pricing

The menu pricing estimates in this packet include your menu (food), real china, service staff and event production fee.

Service staff will vary based on the individual package selected; see packages for more details.

State and county sales tax, and any venue/facility fees are not included in the package pricing estimates and will be added to the total, reflected in your custom proposal.

If a bar package is booked with us, we provide bar tables and solid colored poly linens for the bar tables.

China, Linens and Rentals

Our Standard China Package Includes: standard white china dinner plates, silver flatware and water goblets at each place setting, white china cake plates and forks for wedding cake. Our standard china package is required for all plated (Sit Down) meals.

If you would like to use high quality single use (disposable) china and flatware instead of real white china, that cost is \$3 less per person (cannot be used on plated dinners).

For your convenience we will be happy to provide pricing on buffet linens and guest table linens. We can also offer referrals to our trusted rental company partners for tables, guest chairs, or any other rentals necessary to make your event a success.

For further information and a customized proposal, please reach out to one of our event specialists via email at events@delectablescatering.com or by calling 727.781.1200
